Text Of Proposed Initiative

ORDINANCE NO. 2026-__

AN INITIATED ORDINANCE OF THE PEOPLE OF THE TOWN OF PAONIA, COLORADO, PROHIBITING GOVERNMENT SURVEILLANCE CAMERAS ON PUBLIC PROPERTY AND PROVIDING FOR ENFORCEMENT

RECITALS

WHEREAS, the Town of Paonia is a statutory municipality organized under C.R.S. § 31-1-203; and

WHEREAS, C.R.S. §§ 31-15-101 and 31-15-401 grant statutory municipalities police-power authority to protect the health, safety, and welfare of its citizens; and

WHEREAS, residents of Paonia have a fundamental right to move freely through their own town without being surveilled, recorded, tracked, or identified by their government; and

WHEREAS, the right of the People to determine the scope of government surveillance in their community is a fundamental policy choice reserved to the electorate; and

WHEREAS, government surveillance of public spaces intrudes upon the privacy of every resident who walks to the post office, visits a neighbor, attends a church, or simply goes about daily life, and such pervasive monitoring is incompatible with the character of a small, self-governing community; and

WHEREAS, persistent video monitoring of public spaces also creates a chilling effect on the exercise of First Amendment rights, including speech, assembly, and the right to petition the government; and

WHEREAS, in a community of approximately 1,500 residents, government surveillance cameras enable identification and monitoring of substantially all residents, eliminating the practical anonymity that has historically characterized life in a small town;

NOW, THEREFORE, BE IT ORDAINED BY THE PEOPLE OF THE TOWN OF PAONIA, COLORADO:

Section 1. Title.

This initiated ordinance shall be known and cited as the "Surveillance Camera Prohibition."

Section 2. Definitions.

For purposes of this ordinance:

(a) "Surveillance camera" means any device capable of capturing, recording, storing, or transmitting visual images of persons or activities in public spaces, whether operated in real time or by recording, and whether analog or digital.

(b) "Public property" means any real property owned, leased, or controlled by the Town, including streets, sidewalks, parks, buildings, facilities, and rights-of-way.

(c) "Town" means the Town of Paonia and all its departments, agencies, officials, employees, and contractors acting on behalf of the Town.

Section 3. Prohibition.

(a) No installation. The Town shall not install, operate, or maintain surveillance cameras on public property.

(b) No third-party circumvention. The Town shall not contract with or authorize any third party to install, operate, or maintain surveillance cameras on public property on the Town's behalf.

(c) Existing cameras. Any surveillance camera installed on public property as of the effective date of this ordinance that does not fall within the exceptions in Section 4 is in violation of this ordinance.

Section 4. Exceptions.

The following are not prohibited by this ordinance:

(a) Body-worn cameras on law enforcement officers, governed by separate policy.

(b) Warrant-authorized cameras used temporarily for a specific criminal investigation pursuant to a court order, which shall be removed upon expiration of the order.

(c) Public meeting cameras used solely for live-streaming or recording open public meetings to promote transparency, provided such cameras are not used for any other purpose.

(d) Cameras monitoring unmanned critical infrastructure facilities that are not accessible to the general public, provided such cameras are directed solely at the facility and do not capture images of public streets, sidewalks, or other areas accessible to the general public.

Section 5. Contracts Void.

Any contract, agreement, or expenditure of public funds that violates this ordinance is void and unenforceable.

Section 6. Enforcement.

(a) Any registered elector of the Town may seek injunctive relief in Delta County District Court to enforce this ordinance.

(b) A prevailing plaintiff shall be entitled to reasonable attorney fees and costs.

Section 7. Amendment and Repeal.

This ordinance may only be amended or repealed by vote of the registered electors of the Town.

Section 8. Severability.

If any provision of this ordinance is held invalid by a court of competent jurisdiction, the remaining provisions shall continue in full force and effect.

Section 9. Effective Date.

This ordinance takes effect thirty (30) days after certification of election results.
