Re: Colorado Open Records Act Request C 26-33

Dear Mr. McCarthy:

The Clerk's Office has completed its review of your Colorado Open Records Act request C 26-33.

The Town of Paonia terminated its use of the Verkada system on June 10, 2026, by unanimous vote of the Board of Trustees. With the termination of that agreement and the turning off of the cameras, all data was erased. Therefore, there are no responsive records to your request because no data exists to be searched.

With this response, the Clerk's Office considers your request closed.

Samira M. Vetter, CMC

Paonia Town Clerk/ Official Custodian of Records
