Re: Citizen Initiative Petition – Surveillance Policy Ordinance

Mr. McCarthy and Ms. Rosa,

I received your submission of a Citizen Initiative Petition for the **Surveillance Policy Ordinance** on May 20, 2026.

The ballot measure is hereby rejected. Please see the following explanation.

The subject of surveillance in public spaces is a managerial and operational function of the Town. Actions taken by the Town to authorize, fund, and contract for, or manage surveillance-related equipment, services, or security measures are administrative in nature.

The proposed ballot initiative seeks to control administrative actions by the Town, including matters involving Town operations, public safety, contracts, budget appropriations, and the management of Town property and facilities. These matters are administrative and executive functions, not suitable for an initiative.

Based on the foregoing, the proposed measure does not meet the legal requirements for placement on the ballot or for the collection of signatures.

Sincerely,

Samira M. Vetter, CMC
Paonia Town Clerk
