Each item below is identified by the exact subject line, task name, or filename as it appears in the Town's own Microsoft 365 records. I am requesting:

1. Every draft, revised, and tracked-changes version of the Board's March 30, 2026 response letter to my flyer, in native file format, with each file's Microsoft 365 (SharePoint/OneDrive) version history. 2. Every draft and tracked-changes version of the Mayor's report for the March 30, 2026 Special Meeting, in native file format, including the file attached to the email "PLease see the attached drafft Mayor's report for the Special Meeting" (subject quoted verbatim, including its original spelling; mailboxes of Smith, Vetter, Hunter, Wynn), plus any Microsoft 365 version history. Date range: March 27 to 30, 2026.
