RE: CORA Request C 26-28 - Email Records Provided in Native and Redacted Format

Dear Mr. McCarthy:

The Clerk's Office has completed its review of records responsive to your Colorado Open Records Act request, C 26-28, seeking certain email records, including full bodies, attachments, and complete headers, in native format.

Responsive emails that did not require redaction are being provided in their native .eml format. Where redactions were necessary, the responsive records are being provided in PDF format so the redactions could be applied, preserved, and not altered or removed.

Certain responsive records have been withheld under attorney-client privilege. The withheld communications involve privileged communications made for the purpose of seeking, providing, or facilitating legal advice regarding legal or potentially legal matters involving the Town. The Town is asserting attorney-client privilege pursuant to C.R.S. §§ 24-72-204(1)(a), 13-90-107(1)(b), and 24-72-204(3)(a)(iv).

Sincerely,

Samira M. Vetter, CMC
