Subject: No Kings Rally Saturday Fear for Safety with Flyers Posted Around Town with my Image

Importance: High

Mayor & Trustees,

Due to the nature of the flyers posted around Town and on social media depicting my image superimposed on the image of King Leopold II of Belgium, and their placement next to the 'No Kings' Rally posters, I don't feel safe being in Town this weekend with my family. We've had to install more cameras around our house to watch doors and windows since our neighbors have acted foolishly over the last several months, and our neighbor is one of the people behind posting and distributing flyers across town. With 500-600 people in Town for political reasons, and with my image as a king being posted next to flyers for the rally, I think it best that my family and I leave Town for the weekend and will return on Sunday.

If you need to reach me, my work mobile is below.
