Investigation Narrative

Offense: Information Report.

Synopsis:

On 09/27/25, Officers with the Paonia Police Department received an information report about an incident that occurred at the address of 708 4th Street. This location is in the Town of Paonia, County of Delta, State of Colorado.

Narrative:

On 09/27/25 at approximately 1456 hours, I, Officer Bardessona with the Paonia Police Department received information about an incident that occurred at the address of 708 4th Street. This location is in the Town of Paonia, County of Delta, State of Colorado. This location is also known as the Paonia Town Park.

On this date, I spoke with a female (later identified as Autumn Wynn DOB [REDACTED]) in person during an event that was occurring in the park. She stated another female (later identified as Kaja Bowman DOB [REDACTED] 1) removed her campaign sign that was placed near a vendor's tent area after she gained the approval from the vendor, stating that she could not have it displayed in the park.

Autumn spoke with the event coordinator while I was present. The coordinator stated, any non-profit political organization can have signs near/inside their booths however, a business cannot have political signs present.

I located Kaja later in that park at approximately 1827 hours. She stated that Autumn placed a campaign sign in the ground in the booth area after receiving permission from the booth owner/vendor. Kaja then returned moments later and observed the sign. She then located Autumn and told her that the sign was not allowed in the park area after she removed it. Kaja then stated, "I work for the town, and I volunteer for Harvest Festival. If it's at our booth, I'm going to catch shit from somebody." She then stated she attended a meeting where she was unclear about the details that were discussed. Kaja stated, "We just shouldn't have it."

Kaja did state that several other vendors did have political signs present in their areas and booths in the park, and this made it unclear if any restrictions were in place about political signs. She then stated, "Maybe it is allowed. Maybe I was misunderstanding."

I asked Kaja to notify the Paonia Police Department if a sign needs to be addressed in the future.

I cleared the scene.

My body camera was active for this incident.
