Narrative

(WYNN REPORTING HARASSMENT) - (S): K. Heiniger
PAONIA POLICE DEPARTMENT
(CASE #: P26-0323) (INFORMATION)

My department-issued Axon Body-Worn Camera, serial #D01AG6235, was activated during this incident. The video recording has been uploaded to Evidence.com. The following report is a synopsis of my involvement in this incident.

On May 8, 2026, at approximately 1400 hours, I, Officer K. Heiniger, received a report from Stefen Wynn (DOB: [REDACTED]). The incident occurred at or near 214 Grand Avenue, located within the Town of Paonia, County of Delta, State of Colorado.

Stefen is the Paonia Town Administrator at the time of this report, requested to make a formal criminal complaint. Stefen contacted me within the Paonia Police Department and advised me, he was currently being harassed by parties on Facebook. Stefen was irate and displayed his phone screen to me. On Stefen's phone screen, I observed a Facebook post with tan and dark blue seashells formed in a manner to be legible "86 WYNN". I observed this post to be on a public group, titled PMB, meaning Paonia Message Board. The post was created by the Facebook profile identified as Pete McCarthy. This post had already been made public approximately on 05/04/2026.

Stefen claimed this post was a direct threat towards himself, due to what he believes is a pattern of harassment by Pete McCarthy. Stefen claimed this term of "86" is a threat to his life. I believe I was able to identify Pete as, Peter McCarthy (DOB: [REDACTED]). Stefen was provided a written statement to further assist me with understanding the totality of this pattern of behavior. Stefen was also provided with my Paonia Police Department email, and advised he could email me any photos or documents he wished to be attached to the case file.

In Stefen's statement, he identified another involved party as Melayna Rose. I also believe I was able to identify her as well with some research. Melayna Rosa (DOB: [REDACTED]), is who I believe Stefen refers to in his statement. Melayna was found to be a commentator to the "86 WYNN" post by Pete.

Once Stefen completed his written statement, he thanked me and left the police department. Shortly after, I began receiving multiple emails from Stefen. I believe Stefen wanted these emails to be attached to this case file.

Most of the emails displayed screenshots of Facebook posts. The screenshots Stefen provided will be uploaded to evidence.com. Stefen also provided an email stating he did not intend to renew employment with the Town of Paonia, which will be scanned into the case file. I believe each of the documents Stefen provided is important to be added to this case, due to his statements of fear.

Stefen also briefly quotes some CRS within his intent not to renew employment. I found in the information provided to me, Stefen is clearly in fear for himself and his family life. Stefen claimed to have made a substantial move to protect his family by unenrolling his children from the Paonia K-8 a week before school ended for summer vacation.

However, I know the term "86" to be used as a slang term for trespassing parties from a bar setting or the removal of an item from a menu at a restaurant. Through my training, knowledge, and experience, I have never heard of "86" being a term to harm someone resulting in death. I do see a screenshot Pete allegedly

Incident Report for P26-0323

claimed to be the author of, calling for Stefen to be fired from his position within the Town of Paonia. This flyer displayed King Leopold II with what appears to be a photoshopped reference of Stefen's head on the King's body. The Flyer reads "FIRE WYNN".

At this time, Stefen provided Colorado Revised Statutes, which he believes he is a victim of. The following are the CRS:

18-9-111. Harassment - Kiana Arellano's Law.

18-8-704. Intimidating a witness or victim.

18-8-706. Retaliation against a witness or victim.

In the CRS 18-9-111:

(8) This section is not intended to infringe upon any right guaranteed to any person by the first amendment to the United States constitution or to prevent the expression of any religious, political, or philosophical views.

These posts would be Pete's first amendment, and at this time, I don't find any of the information provided by Stefen as an imminent threat to himself or family, with a result of death or bodily harm.

And in 18-8-704 and 18-8-706:

To my knowledge and findings within this incident, Stefen is not a victim or a witness to a crime at this time.

This case will be changed from a harassment report to an information report and closed with an unfounded status.
