Threatening messaging posted to social media pages by Pete McCarthy & his partner Melayna Rose (surname unknown) with the picture of, "86-Wynn". This is a direct reference to terminating my life and exhibits a pattern created by Mr. McCarthy through multiple medias, including harassing language and intentionally posting images of my face superimposed on King Leopold II with a flyer/poster during a 'no kings' rally that was intended to make me fear for my life through the in-flux of people into our community for a peaceful protest. Now moving from firing to '86' meaning terminate, remove, or delete - referencing killing me as is an industry term from restaurants.
